ABOUT MSBTE

Maharashtra State Board of Technical Education is an autonomous board of state government of Maharashtra imparting technical education. MSBTE is committed to offer the best in class academic services to the students and institutes to enhance the standards of society. This will be achieved through continual improvement in management practices adopted in the process of curriculum design, development, implementation, evaluation and monitoring system along with adequate faculty development programmes.

MSBTE has been taking pains to provide faculty with best of training by organizing training programme and sponsoring such programme

ABOUT MM POLYTECHNIC

Marathwada Mitra Mandal's Polytechnic is the brain child of Marathwada Mitra Mandal's education society, which covers the gamut of needs from academics to morality, to turn an individual into an epitome of human being. Our institute is approved by AICTE, New Delhi and affiliated to MSBTE, Mumbai.

Being ignited by a dream, we provide the state of the art facilities and innovative infrastructure. We inculcate immortal spirit to soar high and broaden their horizon of knowledge. We provide wings to fly in the quest of knowledge.

Our institute is rich in terms of library, laboratories, rest rooms, language laboratory, art gallery, sport circle, health awareness programs, etc. We give exposure to realize creative urge of the student.

We offer diploma course in Mechanical Engg., Automobile Engg., Computer Engg., Electronics & Telecommunication Engg. and Information Technology. The institute has started second shift in the year 2013.

ABOUT AUTOMOBILE DEPARTMENT

The Department of Automobile Engineering is established in 2008 with intake of 60 for first shift and 60 for second shift and is engaged in rendering quality education in Automobile engineering to cater industry's demands of Quality Engineering and Professionals. The department is well supported by qualified and enthusiastic teaching staff members. Department is equipped with Laboratories in Automobile Transmission, Automobile System, Automobile Engine, Automobile Electrical and VGTAP(Automobile Workshop).

Department aims at imparting skills to all students to increase their employability. To serve this purpose value addition programmes like "VGTAP course (Volkswagen Group of Technical Apprenticeship Programme.)" are being conducted, in association with Volkswagen Group of Sales India Pvt. Ltd., over and above MSBTE curriculum. The result of this reflects in this campus placement of students from

core Automobile companies and service stations like Volkswagen, Audi, Skoda.etc.

The staff members are continuously engaged in upgrading themselves through research in the advanced areas. Some faculties have published their papers in National and International Journals
